

7th Annual Multidisciplinary Uro-oncology Congress 2025

Espinas Palace Hotel, (10th-12th September 2025) -(19th-21th Shahrivar 1404)

“Scientific Programme”

First day: Wednesday –19th Shahrivar, 1404 (10th September 2025)

(Parseh Hall 2)

Official Opening

8:00- 8:15

Quran Recitation, National Anthem

Chairmen: G.H.Poormand, M.A.Zargar, F.Samiee, H.Karami, H.Mazdak, N.Simforoush

8:15-10:30

Hall Manager:

Session I: Prostate & Bladder Cancer

Time

8:15-08:30

Incorporating **MRI findings** into active surveillance: Are systematic biopsies still needed?

S.A.Momeni

Debate

Moderator:

A.Razi

8:30-9:00

Active Surveillance Is Still Underused?(PCa)

Pro: Active surveillance is safe and underutilized

Con: We're underestimating risk in some men

Live Poll

Pro:

M.Haddad

con:

A.Nouralizadeh

Panel discussion

Surgery vs Radiation – What's Best and for Whom? (PCa)

9:00-10:00

- Oncological outcomes following radical prostatectomy

M.H.Soltani

- Oncological outcomes following radiation therapy

A.Yaghoobi

- Quality of life following radical prostatectomy

R.Jafari

- Quality of life following radiation therapy

M.Sajadirad

- Cost and Access

A.M. Ziaee

Moderator:

A.M. Ziaee

10:00-10:15

Can we be less active in PCa **surveillance**?

A.Hamidi.Madani

10:15-10:30

Optimal Therapy for patients with **T0** after Neo adjuvant Chemotherapy in Bladder Cancer?

M.Hamidi.Madani

Inauguration

10:30-10:40

IAU President: A.M.Ziaee

Congress President: M.Ayati

President of the research Center: M.R.Nowroozi

Congress scientific secretaries:

E. Amini, S.A. Momeni

10:40-11:15

Break

**First day: Wednesday –19th Shahrivar, 1404 (10th September 2025)
(Parseh Hall 2)**

Chairmen: A.Mehrsai, H.Rajaei, A.Shamsa, S.Hazhir, M.Jamali, N.Naghdi, H.Mombeini

11:15-13:15

Session II: Prostate & Bladder cancer

Panel discussion:

Sequencing Systemic Therapy – A Messy Map (PC)

11:15-12:15

Moderator:

SH.Zeighami

- Therapeutic approaches in CSPP(M0,M1)

S.Montazeri

- Therapeutic approaches in CRPC(M0,M1)

A.Farzin

- The Value of Early Treatment in Advanced Prostate Cancer: Improving Outcomes and Redefining Standards

H.Molana

- Role of Radio ligand

M.Abbasi

- Role PARP inhibitors

P.Adeli

Time: 12:15-13:15 Moderator: M.Ayati	<u>Oligometastasis Bladder Cancer (Case Based Discussion)</u> - Defining Oligometastatic Bladder cancer - Role of imaging - In which cases is surgery the best option? - In which cases should we consider radiotherapy? - Should we add systemic therapy?	D.Khazayeli S.Delazar S.Ebrahimi B.Mofid B.Shakiba
---	---	--

13:15-14:15

Pray & Launch

**First day: Wednesday –19th Shahrivar, 1404 (10th September 2025)
(Parseh Hall 2)**

Chairmen: H.Shahrokh, M.Sedehi , M.Yazdani, A.Akbarzadehpasha, A.Javaherforoshzadeh

14:15-17:30

Hall Manager:

Session III:, Testis & Penile cancer

Time: 14:15 -15:15 Moderator: H.R.Ghorbani	<u>Management of stag II seminoma and non seminoma germ cell tumor (Case Based Discussion)</u> - Stage II seminoma management - Stage II non seminoma management - What's new on EAU guideline? - The role of nuclear imaging in seminoma - The role of chemoradiotherapy in seminoma	M.Sadri S.J.Rasooli M.Kardoost S.Farzanehfahar F.Farhan
Penis Time: 15:15-16:00 Moderator: H.Salimi	<u>Penile Cancer</u> - How to clinically approach to penile cancer? - The Role of PET for Penile Cancer - How to surgical management of penile cancer? - HPV and penile cancer - The role of immunotherapy for penile cancer	A.Khalilzadeh Gh.Divband M.Jabbari Z. Safarian A.Mafi
16:00-16:15	The role of ERAS in radical cystectomy (What is new)	A.Nikfalah
Testis Time: 16:15-17:15 Moderator: M.Soleimani	<u>Navigating PC- RPLND in Pure Seminoma: (Case Based Discussion)</u> - Navigating role of imaging & AI on residual masses in seminoma - Viable seminoma or fibrosis decision making in PC-RPLND - EAU perspective on PC-RPLND in marker negative seminoma - Surgical strategy & oncological outcomes - PET when & why	R.Shahrokhi M.R.Ensafdaran M.J.Rajabi A.Ariaifar H.R.Amini

Second day

**Thursday –20th Shahrivar, 1404 (11th September, 2025)
(Parseh Hall 2)**

Chairmen: M.Aslezare, R.Mahdavi, S.R.Taghavi, S.Hajebrahimi

08:15-10:45

Hall Manager:

Session I: Bladder & Kidney Cancer

Bladder Tumors
08:15-08:30

How to manage and avoid **GI complications** in patients following radical cystectomy?

M.Fazeli

Debate: 08:30-09:00 Moderator: A.Moradi	<u>Locally advanced / metastatic RCC</u> • Neo adjuvant therapy is the future for locally advanced RCC • Neo adjuvant therapy is not ready for routine use. • Live Poll	A.Majidinezhad H.Radfar
Lecture: 09:00-9:15	Variant histology of the bladder urothelial cell carcinoma and aggressive pathologies in renal cell carcinoma	T.Yousefi
Debate: 9:15-09:45 Moderator: S.K.Aghamir	<u>Small low grade Upper tract TCC in a single kidney</u> • Ureteroscopy and laser • Radical nephroureterectomy • Live Poll	A.Mohammadi M.H.Izadpanahi
Time: 09:45-10:45 Moderator: A.Basiri	<u>BCG Unresponsive (Case Based Discussion)</u> • Definition • Surgical approach • Systemic treatment • Bladder sparing treatment	A.Tehranchi F.Khaleghi mehr R.Kafashnayer M.Sarkarian
10:45-11:15	Break	

**(Second day: Thursday –20th Shahrivar,1404 (11th September, 2025
(Parseh Hall 2)**

Chairmen: M.Sanadizadeh, S.J.Hoseini, M.R.Darabi, H.Abasi, H.Ghaderi

Time 11:15-11:45 Moderator: M.Haddad	Uro-Oncology Research Center Residency Competition	M.Moghimian M.R.Ensafdaran S.M.Ghafouri A.Zare M.Dadpour A.Tavosian
11:45-12:00	Analysis of metabolic profile of patients with incidentaloma What urologist should know?	A.Esteghamati
	Acknowledgement	
	Take Memorable group Photo	
13:15-14:30	Pray & launch	

**Second day: Thursday –20th Shahrivar,1404 (11th September, 2025)
(Parseh Hall 2)**

Chairmen: B.Ghazimoghadam, Gh.Togeh, N.Shaksessalim, M.Taheri, M.A.AmirZargar, S.Kaghazchi

14:30-16:45 Hall Manager:	Session III: Kidney & Bladder Cancer	
Time 14:30-15:30 Moderator: H.Niroomand	<u>Management of recurrence after curative surgery of kidney cancer. (Case Based Discussion)</u> • Surveillance strategy post radical nephrectomy • Surgical approach • Systemic treatment • Radiotherapy • Ablative treatment	M.Jamshidi K.Kamali M.Esfandbod R.Ghaletaki V.Najaran

Lecture: 15:30-15:45	Navigating treatment pathway for isolated pelvic recurrence post cystectomy	E.Moudi
Panel Time: 15:45-16:45 Moderator: S.Salehi	<u>3 cm small renal mass on healthy young male</u> • Active surveillance how safe is safe? • Partial nephrectomy • SBRT the new kid on the block • Ablative techniques current indications.	A.Arbab F.Valizadeh M.A.Boroumand A.Abrishami

Third day: Friday –21th Shahrivar, 1404 (12th September, 2025) (Parseh Hall 2)

Chairmen: A.Kajbafzadeh ,H R.Mirzaee, R.Maghsoudi,M.R.Soltani,V.Dezhabad

08:15-12:00 Hall Manager:		
------------------------------	--	--

Session II: Forensic Medicine in Urology

Time 11:00-12:15 Moderator:	Case Based Discussion	A.M.Ziaee M.R.Kheradmand H.Mosavi Bahar A.Shahrazad M.Ayati N.Simforoush A.Sadati		Live Poll
--	------------------------------	---	---	-----------
